

You are entering the tutorial to a game.  
Press d when you understand.

The yellow triangle is your avatar.  
The circle is the predator.  
Press d when you understand.

Your job is to escape the predator.  
But you make money by staying as long as you can.  
Press d when you understand.

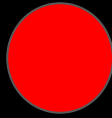

You lose money from each trial if the predator catches you.  
The predator can speed up at any time.  
Press d to begin the tutorial.

Cash:  $x$   
Counter:  $w$

The red predator is usually faster than the blue predator.  
Press d to begin the game.

Cash:  $x$   
Counter:  $w$
